fold

To print to the paper's edge after final cutting
you must extend your image area to the
green boundary box for full bleed.

Any image or text inside the green shaded area will be cut off.

Your text should not extend beyond
the red safety area on all sides.

For best results open or import this template at 300 dpi.

**You MUST remove this instruction layer
or it will be printed.**

The Paper Mill Store .com is not responsible for print results.
