To print to the paper's edge after final cutting you must extend your image area to the **green** boundary box for full bleed. Any image or text inside the **green** shaded area will be cut off.

Your text should not extend beyond the **red** safety area on all sides.

For best results open or import this template at 300 dpi.

**You MUST remove this instruction layer  
or it will be printed.**

The Paper Mill Store .com is not responsible for print results.
