**fold** To print to the paper's edge after final cutting  
you must extend your image area to the  
**green** boundary box for full bleed.  
Any image or text inside the **green** shaded area will be cut off.

Your text should not extend beyond  
the **red** safety area on all sides.

For best results open or import this template at 300 dpi.

**You MUST remove this instruction layer
