To print to the paper's edge after final cutting  
**fold** you must extend your image area to the  
green boundary box for full bleed.  
Any image or text inside the green shaded area will be cut off.

Your text should not extend beyond  
the red safety area on all sides.

For best results open or import this template at 300 dpi.

**You MUST remove this instruction layer  
or it will be printed.**
